## LIBRARY DEPARTMENT SUMMARY

## **Department Description and Mission**

The mission of the Houston Public Library (HPL) is to deliver quality customer service by offering a broadly defined program of education, research, multi-cultural and multi-generational enrichment to meet the needs of Houston's diverse population. Services include an extensive research and circulation book collection; a repository for federal, state, and local documents; information and research assistance by phone, electronically, and in person; collections of non-traditional library materials such as digital media; services to the hearing and visually impaired; and literacy/educational support through various age-appropriate programs to encourage reading among youth and the larger community.

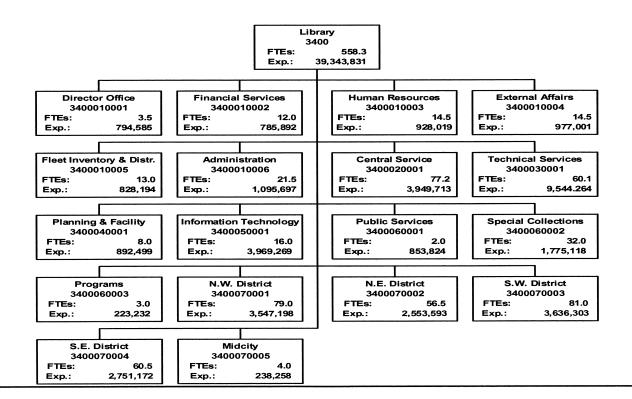

## **Short-Term Goals**

- Expand access to technology, computer instruction, the internet and electronic information resources. Specific projects include:
  - o Digitizing materials held in HPL's special collections
  - Expanding the Digital Inclusion Project
  - Increase the number of computers in HPL facilities
- Place greater emphasis on services to children and teens, with specific new services to support educational success.

## **Long-Term Goals**

 Provide a broad array of innovative, customer driven services through the efficient use of staff, fiscal resources, interdepartmental collaborations and community partnerships.

## **Department Organization**
